Intalnire cu studenti Erasmus

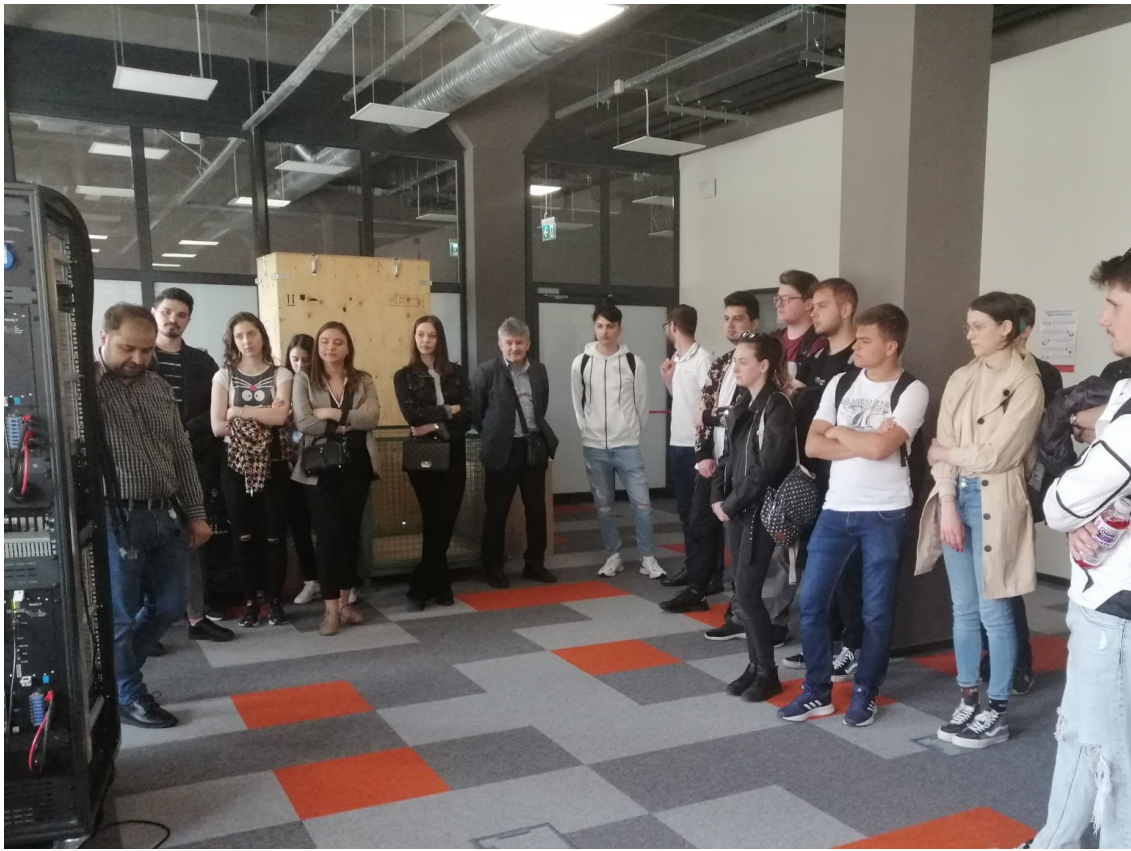

This screenshot shows a Google Meet session titled "Meeting with Erasmus students". The host, Adrian Minguito Serna, is presenting a slide titled "Laboratories". The slide features a photograph of a laboratory with several people in white lab coats working at a bench. The meeting interface includes a top navigation bar with the host's name and a participant list on the left. The main area displays a grid of participants, with some showing their video feeds and others as circular icons with initials. The bottom control bar shows options like "Raise hand", "Turn on captions", and "Adrian Minguito Serna is presenting".

This screenshot shows the same Google Meet session, but the host is now presenting a slide that displays the website of the "ESCUELA POLITÉCNICA SUPERIOR DE CÓRDOBA" (EPSC). The website content includes the university logo, the name "UNIVERSIDAD DE CÓRDOBA", and details about a "GRADO EN INGENIERÍA ELÉCTRICA - DESCRIPCIÓN". The meeting interface remains consistent with the previous screenshot, showing the host's name, a participant list, a grid of participants, and the bottom control bar.

2021

Vizita la OSRAM-Continental si

2022

Intalnire cu reprezentantul biroului de orientare profesionala la TUIASI
